So why not a change in your career too – yes, celebrate in style – join IIJT's Retail Course for a golden future in Retail! The Retail Revolution sweeping across India has opened up job opportunities like never before. The Rs.90,000 crore booming Retail industry is poised for unprecedented growth, due to increased consumerism. From day-to-day grocery to garments, stationeries to utensils, gadgets & computers - all available at remarkably affordable prices under one roof and well, just a phone call away! Thus a career in Retail is not only the best career option today, but the rate of Retail expansion is so high that it happens to be the most profitable two-way option for the Retailer and the Customer, both emerging ultimate gainers. With the mushrooming of malls, multiplexes & hypermarkets housing top quality commodities, the

consumer today is being exposed to a whole new world of shopping experience and customer services, he is focused not merely on buying, but buying, having entertainment & refreshments - at a time, in cool air conditioned comfort. No wonder organized retailing is set to grow to a \$ 24 billion industry by 2010 and spawn a whopping 5 million new job vacancies in the Retail sector. A couple of years ago, Shoppers Stop discovered that their Customer Care associates were an area of concern. There was high turnover and they were not motivated enough. 20000 hours of training over 4 months of skill upgrade saw a 101% increase in average sales of a card member - clearly showing the vakye if 'people' in the Retail business. Based on the way the shopping malls, multiplexes and hypermarkets are multiplying day by day, a Customer Care Training Course was conducted at Shoppers Stop for 20,000 hours and four months. And the result was simply

awesome – a 101% success story!
